¹ UC: 5.3 semester/8 quarter unit maximum for all three Studio Arts exams

² CSU: If a student passes more than one AP exam in calculus or computer science, only one AP exam may be applied to the baccalaureate.

³ CSU: Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1+B3 or B2+B3 of GE Breadth. Fall of 2009 or later, those credits may only apply to B1+B3.

⁴ CSU: The AP United States Government and Politics AP exam does not cover the California component, therefore, MSJC students who earn a minimum score on the exam are required to complete PS-120 to meet US-2.

⁵ CSU: The United States History AP exam will align to either HIST-111 or HIST 112 for the History ADT. Therefore, students working towards the ADT would be required to complete either HIST-111 or HIST-112.

4 Advanced Placement (AP) Exam Table

- ⁶ CSU: If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in GE Breadth
- ⁷ CSU: AP Spanish Language and AP Spanish Literature are no longer offered.

Per CSU Executive Order 1036, students seeking to use this AP subject exam for GE certification prior to transfer must have passed the exam before this term. AP exams removed from CSU GE certification
