Please note: The Academic Senate of the California Community College System approved the alignment of local CCC general education and CLEP exam score equivalency with CSUs. Catalog rights to previous approved units will apply.

¹ Removed from CSUGE Fall 2011. Student earns no units towards AREA C2, but earns 3 elective units.

² If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area C2 of GE Breadth, as noted.

*A maximum of 12 semester units of CLEP may be used to meet MSJC's AA/AS degrees and certificates.

*Each CSU determines how CLEP exams are accepted. Check transfer institution for correct CLEP information.

*The University of California (UC) does NOT accept CLEP exams.
