

CRIME SCENE INVESTIGATION CERTIFICATE

A certificate will be issued for completion of six courses for a total of 18 units. Students may submit a student petition to enrollment services to substitute credit for completion of a P.O.S.T. Basic Police Officers Academy through an accredited institution. Students must attach official college transcripts and an academy course outline or syllabus to the student petition. The Administration of Justice and Corrections Department Chair will determine the amount of credit to award the student. Four Administration of Justice course must be completed at MSJC to earn a certificate.

This certificate is designed to offer a basic pattern of coursework that will prepare the student to enter the professional field of crime scene investigation and forensic science at the introductory level. The successful student will gain the needed skills and understanding of criminal investigative procedures to properly identify, collect, process, analyze, package, catalog, and present crime scene evidence.

Upon successful completion of this program, students will be able to:

- Demonstrate an enhanced knowledge of the principle of criminal law and the criminal justice system.
- Demonstrate an enhanced understanding of ethical issues relating to crime scene investigation to include crime scene security/integrity, investigative responsibilities, integrity of evidence, and court preparation.
- Demonstrate enhanced knowledge of the procedures and process of identifying physical evidence from a crime scene.
- Demonstrate an enhanced knowledge of the procedures and process of collecting, processing, analyzing, packaging, preserving, and cataloging physical evidence from a crime scene.
- Demonstrate an enhanced ability to use computer and/or other forensic technology to document (report) the collection, preservation, and presentation of crime scene evidence.
