

AUDIO PRODUCTION CERTIFICATE

The Audio Production Certificate will be issued for the completion of six core courses and two electives for a total of 24 units. The non-transfer Certificate in Audio Production is designed to prepare students for entry into careers associated with audio production, studio recording, mixing and live sound. This program specifically provides students with a strong foundation in hands-on and theoretical approaches to audio technologies, professional production skills, and accountability in individual and team interactions. Internships and special projects are also available. For individuals currently working within these fields, there may be potential for salary and/or career advancement.
