Requirements

Students who intend to transfer must meet all current lower division CSU-GE Breadth requirements (<https://catalog.msjc.edu/degrees-certificates-curricula/general-education-transfer-requirements/#optionbcsutransfertext>) including minimum GPA. Students may also request certification of their general education upon completion of this Certificate of Achievement. The Certificate of Achievement will appear on students' transcripts, but the certificate is a separate request. It is the students' responsibility to submit it to their transfer institution. Students are strongly advised to meet with a counselor to discuss transfer requirements and lower division major preparation that is needed for their intended transfer university.

Although the certificate recognizes the completion of lower division CSU-GE Breadth requirements, it does not guarantee admission to a specific campus within the CSU system nor does it guarantee admission to a specific major. Some majors and colleges may require a different lower division preparation and/or a higher GPA than is necessary for this certificate. A grade of "C" or better is required in all courses.
