

PUENTE PROGRAM

Puente is designed to help students adjust to college life, apply their existing cultural knowledge to academic outcomes, and prepare for transfer to four-year universities. The program explores multicultural, and particularly Latinx, experiences in a close-knit familia cohort model by combining writing instruction, personal growth instruction, and counseling, and mentoring. Puente's goal is to provide strong academic support that affirms community, culture, and lifelong learning. Puente is open to, and welcomes, all MSJC students.

Transfer Preparation

MSJC offers a wide range of course work that prepares students for the workforce or for transfer to four-year colleges and universities. All four-year institutions prescribe their own standards for course evaluation and admissions. Courses that fulfill major requirements for an associate degree in a program at MSJC might not be the same as those required for transfer into a similar major at a four-year university. Please meet with a Counselor to confirm transfer requirements.

Transfer students are advised to do research on prospective majors and careers. The MSJC Transfer Center and MSJC catalog can be helpful tools. Students interested in transferring to CSU's or UC's can access major preparation by visiting ASSIST (<http://www.assist.org>). All students are advised to meet with a counselor at least once a semester to create or update their comprehensive education plan.
