

SPANISH, A.A.-T

An Associate in Arts in Spanish for Transfer Degree (ADT) will fulfill the requirements for students to transfer to a CSU as a Spanish major. The courses in the ADT in Spanish will provide students with an ability to learn or improve their Spanish as a first or second language so they can communicate successfully with the Spanish-speaking world, and understand and appreciate the Hispanic cultures. Students will be prepared for upper division coursework in the language should they pursue further study upon transfer. Spanish is the second most spoken language in the world: as international business and politics demand greater understanding between nations, knowledge of other world languages such as Spanish has become necessary for success.

Total Units for A.A.-T Degree: 60 units

The overall requirements for this Associates Degree for Transfer (ADT) can be met by:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University (CSU) or University of California (UC).

- Completion of California State University General Education-Breadth Requirements (CSUGE) or the Intersegmental General Education Transfer Curriculum (IGETC).
- Completion of a minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- Completion of a minimum grade point average of 2.0.

ADTs also require that students earn a C or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is acceptable if pass is defined as a grade of C or better. ADTs are intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. A student completing an ADT is guaranteed admission to the CSU system, but not a particular campus or major. Students should meet with a Counselor to develop a comprehensive educational plan to further understand university and transfer requirements.
