

PUENTE PROGRAM

Puente is designed to help students adjust to college life, apply their existing cultural knowledge to academic outcomes, and prepare for transfer to four-year universities. The program explores multicultural, and particularly Latinx, experiences in a close-knit familia cohort model by combining writing instruction, personal growth instruction and counseling, and mentoring. Puente's goal is to provide strong academic support that affirms community, cultura, and lifelong learning. Puente is open to, and welcomes, all MSJC students.
